Subject: Pit Expansion

Re:Application Number OPA1/15 & Z1/15 Tri County Aggregates Ltd.,/Jacob and Jonathan Kamphuis

We have recently moved into East Garafraxa and reside on County Rd 3. The existing traffic is heavy and we are concerned with even more traffic. The heavy trucks, the blowing dirt and dust is very problematic. We would like to have nice grounds, enjoy the birds and spend a lot of time outside and are presently working towards that goal. We are strongly opposed to pit expansion.
