Thanks very much Kim:

We have attached the 3 drawings, since there have been minor revisions, requested by the Township to the Operational Plan; highlighted in yellow:

Existing Features – we have deleted the Prescribed Conditions;

Operational – we have included a mid concession fence and gate, to enable truck parking in the West Half of Lot 3 and referred to it in Note 7. Note W5 provides for report circulation to include the Township and W6 covers well decommissioning.

Drawing 3 – we have specified the 40 ha MADA, as confirmed in your October 21st letter.

Seana – if you need hard copies, we'll be pleased to send them.

Enjoy the weekend.....Bob
