Dear Ms. Stone;

**Re: OPA1/15 and Z1/15**  
**Tri County Aggregates Ltd.**

Planning staff at the Upper Grand District School Board has received and reviewed the above noted Notice of Public Meeting for an Official Plan and Zoning By-law amendment (revised application) to permit the development of an aggregate operation.

Be advised that the Planning Department does **not object** to the applications subject to the following condition:

- That the applicant be required to erect notice signs at the pit entrances/exits to remind drivers to proceed with caution as local roads are also potential school bus routes.

Should you require additional information, please feel free to contact me.

Sincerely,

Emily Bumbaco  
Planning Technician
