

**MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT
MARSVILLE WATER SYSTEM EXPANSION**

PUBLIC COMMENT SHEET

Public Information Centre: **Name:** _____

Thursday, June 15th, 2023 **Address:** _____

6:00 p.m. – 8:00 p.m. **Email:** _____

The Township is undertaking a Municipal Class Environmental Assessment to identify the preferred method of providing water supply and fire protection to meet the future demands of growth within the approved development boundary of Marsville. R.J. Burnside & Associates Limited has been retained by the Township to review various alternatives. This questionnaire is your opportunity to comment on this study and indicate your concerns and preferences.

1. My interest is: (please check all that apply)

- | | |
|---|--|
| <input type="checkbox"/> resident | <input type="checkbox"/> agency representative |
| <input type="checkbox"/> general interest | <input type="checkbox"/> developer interest |
| <input type="checkbox"/> other: _____ | |

2. If you live in Marsville and you obtain your water from a private well, do you have any interest in connecting to the Marsville Drinking Water System at some point? This is to gauge potential interest and is not met to be a commitment.

- | | |
|---|---|
| <input type="checkbox"/> Yes, I do have some interest in a future connection to the municipal water system. | <input type="checkbox"/> No, I do not have any interest in a future connection. |
|---|---|

NOTE: The primary purpose of this EA is to expand the water system to service new development only. However, this study allows us the opportunity to reach out to existing residents to confirm whether there is any interest in future connections, so we can properly consider the alternatives.

3. Comments/Questions/Suggestions (additional space on back of page):

Empty rectangular box for form submission.

Please submit completed forms to either of the study team members below on or before **Friday, July 7, 2023**. Your input and comments are appreciated.
