Part D

Materials Required as Part of the Information to be Provided Under Section 45 of the Planning Act in Accordance with O. Reg. 200/96; Amended O. Reg. 432/96; O. Reg. 508/98

The Minor Variance application under Section 45(1) or application for permission under Section 45(2) of the Planning Act must include a scaled detailed drawing (in metric units) showing the following information (in some cases it may be appropriate to combine with a survey plan).

A digital file of a completed application and drawings are required and **must be submitted** with the following information:

- (a) Boundaries and dimensions of the subject land;
- (b) The location, size and type of all existing and proposed buildings and structures on the subject land, indicating their distance from the front lot line, rear lot line and side lot lines;
- (c) The approximate location of all natural and artificial features (*for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks*) that,
 - i) Are located on the subject land and on land that is adjacent to it, and;
 - ii) In the applicant's opinion, may affect the application;
- (d) The current uses of land that is adjacent to the subject land;
- (e) The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way; and
- (f) The location and nature of any easement affecting the subject land.

As noted in Part B of this application, further information and/or plans may be required after the application has been given a preliminary review by the Township staff and Township Consultants.

Part E

Signage Requirements

A Notice of Hearing Sign for your minor variance application under Section 45(1) or application for permission under Section 45(2) of the Planning Act will be provided to you by the Township.

Two signs will be issued for a corner lot.

The signage must be posted at least 10 days before the hearing/meeting date in order to comply with the requirements of the Planning Act.

The sign must be attached to a stake (stakes are not provided by the Township) and placed on the subject property so that it is clearly visible from the road (do not post signage on a tree or on a building).

A sign declaration form, to be provided, shall be completed and returned to the Township accordingly.

Failure to comply will result in your application being tabled until the next available meeting and until the sign is posted and you have complied with the requirements of the Planning Act.

The signage is to be removed 21 days after the Committee of Adjustment has made a decision on your application.
