

Township of East Garafraxa

Culvert 5 Replacement

Contract No.: 300060037.0000

ELECTRONICALLY SUBMITTED BIDS, on forms acquired from R.J. Burnside & Associated Limited (Burnside) Bids & Tenders site:

<https://rjburnside.bidsandtenders.ca/Module/Tenders/en>

Will be received by the Township of East Garafraxa until:

2:00:00 p.m. local time, Wednesday, April 22, 2026.

The Work includes:

- Removal of existing 4.5 m span, 32 m long corrugated steel pipe arch (CSPA) Culvert;
- Installation of a new, 33.522 m long, 5.486 m span x 3.048 m rise precast concrete box culvert;
- Replacement of two CSP road crossing culverts with proposed 450 mm diameter HDPE culverts;
- Management of the watercourse during construction to allow Work to be completed in-the-dry;
- Approximately 75 m of roadworks, including excavation, granular placement, and installation of new Geo-Web slope reinforcement along northwest and southeast embankments;
- Salvaging, reinstating, and adjusting sections of existing guide rail;
- Installation of new guide rail; and
- Restoration of the site upon completion of the Work.

Bid packages (tender document, drawings, and reference documents) are available digitally from Burnside via Bids and Tenders, from the website above.

All Bidders shall have a Bidding System Vendor account and be registered as a Plan Taker for this Bid opportunity through Bids & Tenders, which will enable the Bidder to download the Bid Call Document, to receive Addenda email notifications and download all documents without the watermark "preview" on them.

In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
